Our MEDICAL PROGRAM

TOTAL ANNUAL MEDICAL AREA

Total consultations offered in our complex and in our 5 units that every week to serve hundreds of communities

2,898

CONSULTATIONS

TOTAL OF MEDICAL CONSULTATIONS (OFFICE AND COMMUNITIES)

2,532

MEDICINES

TOTAL OF GIVEN MEDICINES (OFFICE AND COMMUNITIES)

Specific Mission

Patronato Pro Niños´ medical services are comprehensive. Not only do we provide care for the common cold, but we also offer treatments to alleviate chronic diseases.

We support children with a multitude of needs: from dialysis supplies for kidney aliments to medications for cancer, diabetes, seizures, allergies, transplants, and more.

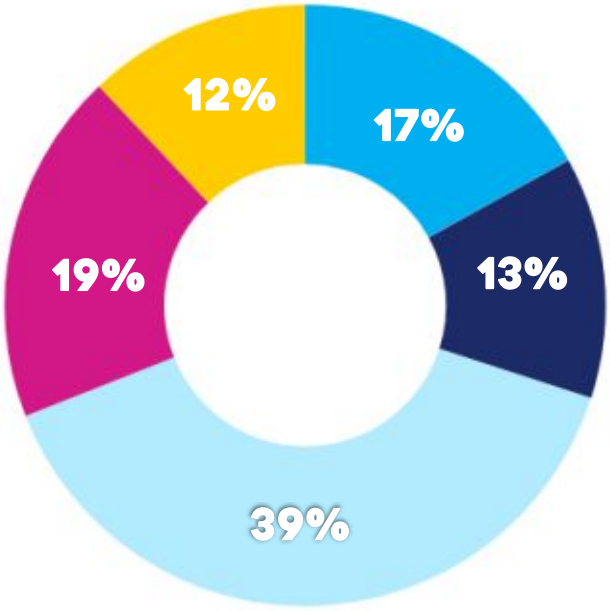
Our DENTAL PROGRAM

TOTAL ANNUAL DENTAL AREA

Total consultations offered in our complex and in our 5 units that every week to serve hundreds of communities

TOTAL OF DONATED TOOTHBRUSHES: 2,054
TOTAL OF DONATED TOOTHPASTE: 1,935



TREATMENTS
13,920

7,543
CONSULTATIONS

Specific Mission

Patronato Pro Niños provides dental services through our four mobile dental units that visit the over 500 communities throughout San Miguel de Allende, and in our dental office. Children receive preventative dental care including cleanings, extractions, fillings, and other oral treatments as well as oral health education.

Our

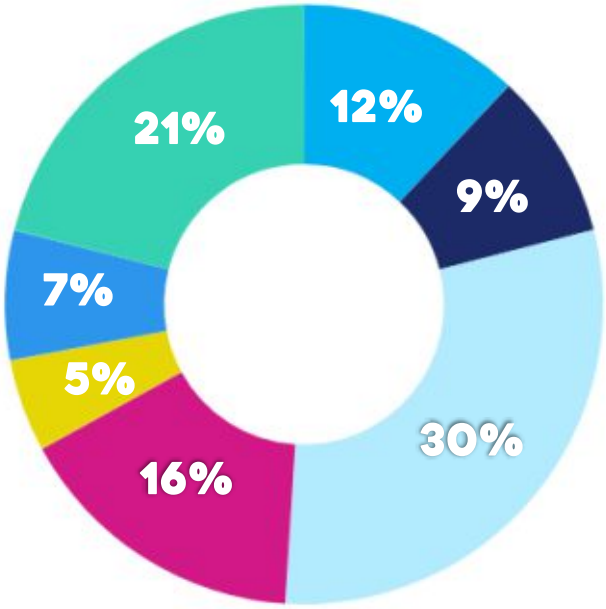
PSYCHOLOGICAL PROGRAM

TOTAL CONSULTATIONS

772

TOTAL NUMBER OF BENEFITED PATIENTS

1,649



Specific Mission

Children, like adults, may need psychological care for a problem that cannot be managed by their available support system. Parents are often puzzled about how to be helpful with learning and emotional problems. Psychotherapy can provide relief for a range of issues, from depression and low self-esteem to addiction and family disputes. It helps reduce anxiety, strengthen coping mechanisms, and improve social and community functioning.

Our NUTRITIONAL PROGRAM

TOTAL ANNUAL NUTRITIONAL AREA

Total of children attended on Nutrition area

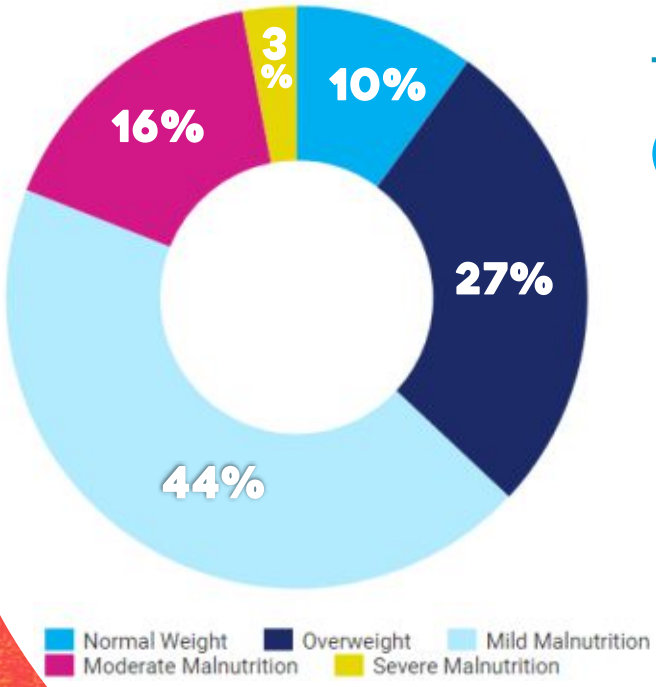
680

CONSULTATIONS

TOTAL OF CHILDREN ATTENDED

696

% attended children in Nutrition area



Specific Mission

Our nutrition program aims to improve the dietary health of children and adolescents through education, counseling, and diet status monitoring. Proper nutrition leads to a healthy childhood thereby enhancing mental and physical development as well as overall quality of life.

Our SOCIAL WORK

TOTAL ANNUAL SOCIAL WORK AREA

Total consultations offered in our complex

1,263

TOTAL OF SOCIAL WORK CONSULTATIONS

4,894

TOTAL OF PHYSICAL THERAPIES

150

TOTAL OF THERAPIES
AUTIST SPECTRUM

576

TOTAL OF LEANGUAGE THERAPIES

Specific Mission

Our Social Services program is invaluable in advocating for our children´s needs and identifying partner government and community agencies that can assist the children with medical and associated financial needs. Thereby enabling us to serve more children.
